## Matters Arising (Previous Actions)

### March

1. RB to see if any paperwork left from Planning Workshop (needs access to St. Brides)
2. RB to investigate options for storing paper records (currently at St. Brides)

### November

1. LW to investigate potential switch to Teams.
2. SM to enquire about materials and potential cost to repaint Telfer Subway.

### December

1. JG to check with Governance to enable us to proceed correctly.
2. School posters - winners chosen, 6 prize vouchers requested and sweets for the 3 classes to be purchased and handed out.
3. MM to make a FOI request to find out the scale of the flytipping problem both city wide and street by street in the GDCC area.
4. The Public Space Consultation finishes on January 12th. Everyone was encouraged to participate. "How public space will be changing"
5. AM to contact police to request a police presence or report at the next meeting.
6. AM will contact Edinburgh Association of Community Councils to see if other CC's are getting Police reports
